Examiner Ly,

We previously discussed me faxing you the papers from the file history for this case. Because of the length of the papers, I decided to post them to our firm website in \*.pdf format. Links to the papers are set forth below. You can click on each link and print out the papers at your convenience.

As discussed, we would like to have a telephone interview in this case by the end of the week. Please let me know either by return email or telephone when we can hold the interview.

Regards,

Stanley Ference
